Translated by ... Scanplus.com

I guess the government has still been producing experimental men then ...

I am sorry to disoppoint you ...

But we ore olso ...

half-experimentol men !

?!

Are you ... Are you olright ?!

Nevermind me ! Protect the women !

?

STOP THEM !

?!!

We need to get out of here ! Your presence doesn't help them in this case !

Over there ! A room with a reinforced door !

타다다닥

쾅

쾅

What now ... ?

We've got to hang on until the perv gets here ...

The ... what ?

The perv, he carries around a part of a woman and enjoys sniffing it. If that's not a perv, I don't know what else is.

Um ... Pardon ?? I don't ... understand ??

And he carries around a part of you.

??

Get away from the door !

쾅

Damn it.

붕

I am sorry that I failed to protect you.

NOOO !

R... Rai ?!
It really worked ! It worked as you claimed !
Sure did ... It's good that I managed to keep them ...
I am talking about your hair.
